MONTPELIER James Gallagher, 13, in Juvenile Court-His Case Deferred.

James Gallagher, the 13-year-old son of Mr. and Mrs. John Gallagher of Hillside avenue, appeared before Judge E. M. Harvey in juvenile court this forencon on charge of being a delinquent child and the case was continued until Dec. 6. It is alleged that the youth broke into the Colby house at Glinney place on Thurs-day afternoon, the eccurants being in day afternoon, the occupants being in California, and stole a gold watch. The facts of the case were not argued in court this morning, the parents indicating that they would send the boy away to school where he would be subjected to discipline and the court decided to defer a hearing and give the custody of the child to the

During the four months' since the industrial accident board has existed, a total of about 1,200 accidents have been reported to the board, an average of 300 a month. Many of these accidents were of minor nature, but this total does not include some eighty, which were of such trivial importance that they should not have been reported to the board. As yet it has not been necessary for the board to hold any hearings.

Both local motion picture theatres ran two shows last evening, being in charge performances for the Eagles. The sum of money received has not yet been determined as the expense has not been

Clarence S. Whittier returned Saturday afternoon from the Middle West, where he made a brief business trip. Checks were sent out Saturday from the state treasurer's office to the various North Troy Firm and a Montpelier Fruit town and city clerks, being payment of

Probably somewhat over-confident after the overwhelming victory of 47 to 0 gained a sweek ago over the seminary the Montpelier high school eleven had to work hard Saturday afternoon to defeat Burlington high school 14 to 0. Not until the last of the third period did a local player cross Burlington's goal line and then aid came from a penalty inflicted on the visitors. In the last quarter a forward pass accounted for the second touchdown. The game was played in a steady drizzle, of rain which made the ball slippery and heavy, the field slow and the spectators decidedly uncomfortable. Both teams relied solely upon line plays to gain ground, it being demonplays to gain ground, it being demon-church next Tuesday evening. Mrs. the church parlors, at which time useful strated in the first quarter that open play, including forward passes, was out 10c. Marriage Took Place at the Presbyterian of the question with the heavy pigskin. There were frequent fumbles, Burlington Miss Irene Nutbrown of Williamstown being the worse offender in this respect as Addison have pronounced a card game at best as a waste of time. No card player is apt to be an active Christian. quietly married in the Presbyterian costly. Montpelier's first opportunity to nla because of the "glorious climate" of that state. Ordinarily, people prefer to get out and enjoy a "glorious climate" rather than to sleep it away. We think California's explanation of Mr. Edison's scoperiferous spell, so unusual for him, is rather thinly drawn out.

Vermonters have reason to be pleased with the record made by the rifle team representing the organized militia of the state at the national competition at Jacksonville, Fla., in which teams from all the states in the union, from all the states in the union, from all the rather thinly drawn out.

Vermonters have reason to be pleased with the record made by the rifle team representing the organized militia of the state at the national competition at Jacksonville, Fla., in which teams from all the states in the union, from all the states in the union, from all the states in the union, from all the atmosphere of the pool rooms is bad enough so that there is a law against allowing minors to frequent such places, so there must be wrong in it. The gambling habit is soon formed, and the very atmosphere of the pool room is detrimental to Christian growth.

Is there anything about the theatre approached in the Presbyterian manse on Wellington street Saturday aft. Score came in the first period when Gross, standing on the thirty-yard line, eronon by Rev. Edgar Crossland. The bride wore a blue traveling suit. The gambling habit is soon formed, and the very atmosphere of the pool rooms is bad enough so that there is a law against allowing minors to frequent such places, so there must be wrong in it. The gambling habit is soon formed, and the very atmosphere of the pool rooms is bad enough so that there is a law against allowing minors to frequent such places, so there must be wrong in it. The gambling habit is soon formed, and the very atmosphere of the pool rooms is bad enough so that there is a law against allowing minors to frequent such places, so there must be wrong in it. The gambling habit is soon formed, and the very atmosphere of the pool rooms is b Football casualties in Pennsylvania on Saturday read like a page of history from their standing in the previous competition. Vermont was in the last class, the current war—in one game two play.

The Vermont team made marked improvement over former years. The teams are divided into three classes based upon their standing in the previous competition. Vermont was in the last class, the unobjectionable and moral plays do not pay. Laughter is often hall in Graniteville Nov. 3, as the mantion. Vermont was in the last class, beard in the theatre when the audience agers and directors of the co-operated visitors were penalized five yards for between the store in Barre will be present. All casily. The first score came near the last yard for the touchdown. Pape kicked the goal. A forward pass, Gross to Smith, from the fifteen-yard line back of the goal was executed prettily for the
